- **Finances** for the coming semester.

Dear friends & Family,

Thank you so much for all of your prayers and support as we venture through this new territory in our life. It was truly amazing how the Lord took care of us through it all, as we had complications in the labor and delivery. Our doctor told us that we were, "two blinks of an eye away from a c-section". But praise the Lord, as hard as it was, Ruth was able to get through it and we were able to have a natural child birth!

We are so in awe of God's plan in our lives. Even though we didn't expect to be having a baby this soon, He had it all under control... Praise God for:

- **Living right across the street** from the Hospital.
- **Having Chloe** on the last day of the semester for Ben.
- **Having this month off** for rest and recovery during the Christmas season 😊.
- **Having an incredibly precious new addition** to our family!

*"I will sing of the LORD's great love forever; with my mouth I will make your faithfulness known through all generations." Psalm 89:1*
